

of \$400.00 related to this litigation. *Id.* Respondent responded to the motion on January 26, 2021, stating that “Respondent defers to the court regarding whether the statutory requirements for an award of attorneys’ fees and costs are met in this case” and requesting that the undersigned “exercise her discretion and determine a reasonable award for attorneys’ fees and costs.” Resp’t’s Resp. at 2-4. (ECF No. 48). Petitioner did not file a reply thereafter.

This matter is now ripe for consideration.

I. Reasonable Attorneys’ Fees and Costs

Section 15(e) (1) of the Vaccine Act allows for the Special Master to award “reasonable attorneys’ fees, and other costs.” § 300aa–15(e)(1)(A)–(B). Petitioners are entitled to an award of reasonable attorneys’ fees and costs if they are entitled to compensation under the Vaccine Act, or, even if they are unsuccessful, they are eligible so long as the Special Master finds that the petition was filed in good faith and with a reasonable basis. *Avera v. Sec’y of Health & Human Servs.*, 515 F.3d 1343, 1352 (Fed. Cir. 2008). Here, although the petition was eventually dismissed, the undersigned does not doubt the good faith of the claim, and the matter had a reasonable basis to proceed for as long as it did. Accordingly, Petitioner is entitled to a final award of reasonable attorneys’ fees and costs.

It is “well within the special master’s discretion” to determine the reasonableness of fees. *Saxton v. Sec’y of Health & Human Servs.*, 3 F.3d 1517, 1521–22 (Fed. Cir. 1993); *see also Hines v. Sec’y of Health & Human Servs.*, 22 Cl. Ct. 750, 753 (1991). (“[T]he reviewing court must grant the special master wide latitude in determining the reasonableness of both attorneys’ fees and costs.”). Applications for attorneys’ fees must include contemporaneous and specific billing records that indicate the work performed and the number of hours spent on said work. *See Savin v. Sec’y of Health & Human Servs.*, 85 Fed. Cl. 313, 316–18 (2008).

Reasonable hourly rates are determined by looking at the “prevailing market rate” in the relevant community. *See Blum v. Stenson*, 465 U.S. 886, 895 (1984). The “prevailing market rate” is akin to the rate “in the community for similar services by lawyers of reasonably comparable skill, experience and reputation.” *Id.* at 895, n.11. The petitioner bears the burden of providing adequate evidence to prove that the requested hourly rate is reasonable. *Id.*

a. Reasonable Hourly Rates

Petitioner requests the following rates of compensation for his counsel, Mr. Michael Firestone: \$260.00 per hour for work performed in 2015, \$269.62 per hour for work performed in 2016, \$279.60 per hour for work performed in 2017, \$289.39 per hour for work performed in 2018, \$300.10 per hour for work performed in 2019, and \$311.20 per hour for work performed in 2020. These rates are consistent with what counsel has previously been awarded for his Vaccine Program work, and the undersigned finds them to be reasonable herein.

b. Reasonable Hours Expended

Attorneys' fees are awarded for the "number of hours reasonably expended on the litigation." *Avera*, 515 F.3d at 1348. Counsel should not include in their fee requests hours that are "excessive, redundant, or otherwise unnecessary." *Saxton*, 3 F.3d at 1521 (quoting *Hensley v. Eckerhart*, 461 U.S. 424, 434 (1983)). Additionally, it is well-established that billing for administrative/clerical tasks is not permitted in the Vaccine Program. *Rochester v. United States*, 18 Cl. Ct. 379, 387 (1989); *Arranga v. Sec'y of Health & Human Servs.*, No. 02-1616V, 2018 WL 2224959, at *3 (Fed. Cl. Spec. Mstr. Apr. 12, 2018).

The overall hours spent on this matter appear to be reasonable. The undersigned has reviewed the billing entries and finds that they adequately describe the work done on the case and the amount of time spent on that work. None of the entries appear objectionable, nor has Respondent identified any entries as objectionable. Accordingly, Petitioner is awarded final attorneys' fees in the amount of \$16,094.81.

c. Attorneys' Costs

Like attorneys' fees, a request for reimbursement of attorneys' costs must be reasonable. *Perreira v. Sec'y of Health & Human Servs.*, 27 Fed. Cl. 29, 34 (Fed. Cl. 1992). Petitioner requests a total of \$1,959.65 in attorneys' costs. Fees App. at 13. This amount is comprised of postage, copy charges, and review of medical records by Dr. Umesh Kuman Sabharwari. Dr. Sabharwari billed a total of \$1,875.00 for 2.5 hours of records review and discussion with counsel, which equals an hourly rate of \$750.00 per hour. This amount is excessive in the undersigned's experience, particularly in a case like this where no work product by the expert was filed to permit the undersigned to assess the quality of the work. A more reasonable hourly rate for the work performed in this case would be \$400.00 per hour. Application of this rate results in a reduction of \$875.00. Petitioner is therefore awarded final attorneys' costs of \$1,084.65.

d. Petitioner's Costs

Pursuant to General Order No. 9, Petitioner warrants he has personally incurred costs of \$400.00 related to this litigation for the Court's filing fee. This cost is reasonable and shall be fully reimbursed.

II. Conclusion

In accordance with the Vaccine Act, 42 U.S.C. § 300aa-15(e) (2012), the undersigned has reviewed the billing records and costs in this case and finds that Petitioner's request for fees and costs, other than the reductions delineated above, is reasonable. The undersigned finds that it is reasonable to compensate Petitioner and his counsel as follows:

Attorneys' Fees Requested	\$16,094.81
(Reduction to Fees)	-
Total Attorneys' Fees Awarded	\$16,094.81
Attorneys' Costs Requested	\$1,959.65
(Reduction to Costs)	-\$875.00

Total Attorneys' Costs Awarded	\$1,084.65
Total Amount Awarded	\$17,179.46
Petitioner's Costs	\$400.00
Total Amount Awarded	\$17,579.46

Accordingly, the undersigned awards the following:

- 1) **a lump sum in the amount of \$17,179.46, representing reimbursement for reasonable attorneys' fees and costs, in the form of a check payable jointly to Petitioner and Petitioner's counsel of record, Mr. Michael Firestone; and**
- 2) **a lump sum in the amount of \$400.00, representing reimbursement for Petitioner's costs, in the form of a check payable to petitioner.**

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court shall enter judgment in accordance herewith.³

IT IS SO ORDERED.

s/ Katherine E. Oler
Katherine E. Oler
Special Master

³ Entry of judgment can be expedited by each party's filing of a notice renouncing the right to seek review. Vaccine Rule 11(a).
